RE: Lancelot Armstrong Investigation

Dear Mr. Armstrong,

This is to advise that your investigative case file is closed as of September 10, 2007.

Our agency has made reasonable attempts to establish relations with you in your endeavor, however, from a business standpoint we can no longer expend time nor resources where no expectation of remuneration is forthcoming.

We understand the difficulties that your indigent status presents and we have discussed this in the past. We mentioned to you that a motion needs to be filed with the Judge, requesting funding for investigative costs. As per Broward County Clerk of Courts Online docket, this motion has not been filed as of this date.

If this information is incorrect and you have indeed filed this motion already and the motion was granted, please mail us a copy of the motion and we will consider reopening your case.

In addition, you stated that your relative would be sending us a small expense check at least two weeks ago for work you need completed now. This check has not been received as of this date.

We would like to extend to you our sincere best wishes.

Regards,

Donald Metz, CEO
