CONFIDENTIAL LEGAL CORRESPONDENCE

Dear Lancelot:

How are you doing?

I wanted to write to you and let you know what's happening on your case. The State asked the judge for extra time to file their response to our 3.850, and he gave them the extra time. We are still waiting to see what they say. I will send you a copy when I get one.

Also we have another attorney on your case. Terri Backhus is working with CCRC- South now. She has a lot of experience doing this work so you will be getting 2 lead attorneys on your case rather than a lead and a second chair! Also, Nick Atkinson is the investigator who will take over from Debbie. He is very good and dedicated to this work.

I plan to come to the prison within the next few weeks so I will try and see you then.

Take care

Sincerely,

Rachel Day
